

2012 All-Star Tournament Information

“Letter of Intent”

Dear SCLL Parents and Players,

Every year SCLL participates in a post season tournament with the other local Little Leagues, commonly referred to as the All-Star tournament. In years past, we have had players selected to the SCLL All-Star team only to not attend games and/or practices because of previous commitments. It is important to note that non-committed players take away roster spots from other deserving players who can make the commitment. While we understand many families make travel arrangements long before the summer months, we ask that each family and player take the time to consider whether or not he/she can commit their time to the SCLL All-Star team practices and games in advance. This commitment also includes a Mandatory Parent – Player – Coach Meeting on Saturday June 16 at Luke Jensen Sports Park (Afternoon, time TBD).

In order to make sure that only players who can commit the time are considered, please review the information on SCLL Website under All Stars and decide if your family and player can commit to participating on the SCLL All-Star team, if selected. If you have a short vacation planned and would still like to participate, please note it on the form or e-mail. You can e-mail the information needed from this form (Can Participate, Team on which child would like to play, Child's Name, and Age, Division and Team name, and any additional comments) to lonie.hockhalter@salmoncreeklittleleague.com (National Division) or Heather Boyd heather.boyd@salmoncreeklittleleague.com (Pac Coast Division)

*Please return this form to your coach by **Thursday June 7.***

Only those children from whom we have received a signed form or e-mail by June 7th will be listed on the ballot.

I have read the attached requirements for the All-Star tournament and understand the time and cost commitment. My child:
