We agreed that each “umpire” team is responsible for one umpire at least until out of the pool play. If you have an extra umpire that would be willing to take the field it would be appreciated. **The home team is responsible to send the score of the game to scores@salmoncreekll.com as soon as possible after the game.** Last year the tourney page got over 200 hits a night, lots of people check the scores. No extra innings are allowed in the pool play. The following are tie breaker rules:

- If teams finish with the same record, the first tiebreaker is head-to-head record
- The 2nd tiebreaker is total runs allowed in head to head competition - lowest total runs the winner.
- The 3rd tiebreaker is total runs allowed in all tournament competition - lowest total runs the winner.
- The final tiebreaker is a coin flip.
- No advantage will be given to a team running up the score.
- No regular season results factor into any of the tournament play.
- No additional games played to determine tournament seeding or advancement to semi- finals

Good luck and please check the seeding carefully to make sure I didn't transpose any names.
