2016 Trout Camp is provided by **Faith Outfitters** and partner sponsors to make available a day of outdoor activities for kids who otherwise aren't able to experience the "Call of the Wild". Kids range in age from 8-14 years old. No fishing license is required. All lunch and activity related equipment is provided. Activities will be supervised and managed by adults who are there to help the kids and make this a fun day to remember. Each child is requested to bring appropriate layered clothing and any personal needs items. We will proceed in poor weather so dress accordingly. Each angler can keep their catch, up to 4 trout, and they might be one of the lucky ones who catches one of the "Big Ones". We suggest bringing a very small cooler with ice in it to keep fish fresh to take home. We plan a cleaning station to clean the fish. Please advise of any special needs. Space is limited, each successful participant must be confirmed by the contacts below prior to the event.

All participants must return a signed liability release form to participate prior to the event.

Faith Outfitters Charter: Faith Outfitters, will minister to believers and unbelievers. All are welcome. Faith Outfitters is generally aligned with individuals who love the outdoors and related pursuits who otherwise for a variety of reasons would not pursue their faith. Faith Outfitters will strive to offer a welcoming atmosphere that provides a cultural match, for outdoorsmen in particular, lowering barriers for those who may not be at ease in traditional settings. We will teach, learn, strengthen our faith, and share life while aspiring to Christ's principles for our lives, families, and communities. Basically this is a group of believers who have a heart for kids and are providing this day to kids who through various circumstances may not otherwise get to experience outdoor activities.
