

SALMON CREEK LITTLE LEAGUE MANAGER / COACH CONTRACT

I RECOGNIZE THAT safety and the emotional well being of the children involved in Salmon Creek Little League are my top priorities. I will manage and coach to the best of my abilities to insure these goals are met. I will do my best to insure that each child is provided the fundamentals of Little League baseball at a level appropriate for their age maturity.

I WILL TEACH good sportsmanship and respect for opponents, managers, coaches, umpires and team parents.

I WILL DISPLAY at all times, good sportsmanship and respect for the players, managers, coaches, umpires and parents. I will adhere to the zero tolerance policy and I understand that if I violate this policy, I may be subject to disciplinary action by the Salmon Creek Little League Board, which may include the suspension or permanent removal of my managerial or coaching duties. I will abide by any such ruling.

I WILL EXPLAIN and clearly state team rules and expectations to my players and parents and I will keep an open line of communication with both.

I WILL DOCUMENT any discipline problems including, but not limited to attendance, promptness, safety, and behavior. I will discuss any problems with the player and his or her parents.

I UNDERSTAND that I must abide by the Little League Rules and Regulations. I further understand that if playing time is to be withheld from a player as punishment, this will only be done as a last resort and following at least one warning to both player and parent. Any such action must be first brought to the attention of the league commissioner and any managers, coaches or umpires involved in a game in which playing time will be less than the mandatory rules.

I WILL KEEP proper uniform records and will do my best to make sure SCLL uniforms and equipment are returned promptly and in good condition at the end of the season. The importance of this will be expressed to parents and players.

I WILL THANK my team sponsor and make sure my players understand the value of the community's support of our Little League.

I WILL RETAIN PERSPECTIVE and remember that Little League is an opportunity for children to learn and have fun. Children will remember their little league years, and I will do my best to make it a positive and memorable experience.
